

RICK BOEPPLE

RICK BOEPPLE, MILITARY SALES ENGINEER

Rick currently serves the Army / National Guard units as the military sales engineer for Transshield, Inc. Transshield is the market leader in cover protection technologies to commercial and government markets. He joined the company in October 2005.

Rick has an extensive background in both logistics management and sales and service. As a sales representative for a national heavy equipment rental company, Rick grew an unchartered territory to over \$200,000 in sales in under two years and conducted numerous trainings on safety operations. In the logistics industry, Rick completed a management training program and become certified in a number of Hazardous Material Training programs. He also performed duties as a supervisor where he was responsible for 70-90 people (depending on the season) and ran all daily operations.

Rick is an avid golfer and lives in South Bend, Indiana with his wife and two children.
